

To all Mammoth Broker-Dealers, Brokers & Partners:

We are experiencing an overwhelming number of incoming phone calls regarding last minute subscription participation documents for *Mammoth Destiny*.

While we are gratified at your confidence and response, we must notify you that we may only receive participation funds via **bank wire transfers only**. This is so that our project remains in full compliance with current federal tax law in order to ensure *Destiny* Participants receive full tax benefits for 2008.

If you or your clients need to speak to our Syndication Coordination team, I urge you to contact them as soon as possible. However, they may not be able to speak with you immediately upon your call. This is an unusual year and we are trying to process as many documents as possible as well as speak to you in the order you are contacting us.

Please contact our office at 888-202-3115 and ask for the Syndication Coordination office Executive Assistant Heidi Oman. Leave your name and number and when we can get in contact with you. We promise to call you as soon as possible in the order which we receive the calls.

Thank you for your understanding regarding these matters and we hope to speak with you shortly.

Your Mammoth Executive Team
