

MAMMOTH
RESOURCE PARTNERS, INC.

MAMMOTH SPECIAL ALERT

Please be advised that due to a variety of holiday schedule conflicts your production revenue checks went out today (Monday January 5, 2009). We anticipate that everyone in the country should receive their revenue checks by the end of this week. Our letter will detail many specific reasons for our delay. We anticipate being back on schedule next month.

In addition, for those Partners or friends who live near San Francisco, California or receive television coverage via satellite from the Bay area, please be advised that the first national airing of the "Eye On America" segment on Mammoth Resource Partners, Inc. will air in your area on television station KFTY tomorrow (Tuesday January 6, 2009) at 1:00 PM. KFTY broadcasts locally on channel 50 and digitally on channel 199. We hope you have a chance to view this informative 5-minute segment or record it to your VHS or DVR units for later viewing. This segment will air in San Francisco three additional times this month. Contact us for times in your area.
